Drinking Water
Appliance*

Culligan®

Demand the Great Tasting, Quality Drinking Water You Deserve.

Leading a healthy life is a conscious decision—one that you need to work at on a daily basis. To help you feel and perform at your best, various health experts recommend drinking at least eight glasses of water every day. And now staying healthy and hydrated are easier than ever with the Culligan Good Water Machine® appliance—*offered exclusively through your local Culligan dealer.*

The Finest in Water Filtration

The *Culligan Good Water Machine* appliance's reverse osmosis (RO) filtration method improves the taste and odor of your drinking water and substantially reduces microscopic impurities and chemical elements*. With reverse osmosis, water passes through an ultra-thin, semi-permeable membrane, which filters unwanted particles, including sodium and lead. The result is the deliciously clear water you'd expect from the water experts at Culligan—available in the convenience of your own home, right at your fingertips.

With Culligan, Getting Clear, Great-Tasting Water Is Easy.

To enjoy the clean, invigorating water provided by the *Culligan Good Water Machine* appliance, just call your local Culligan expert who will professionally install the unit. Ideal for even the largest family, the *Culligan Good Water Machine* appliance is a cost-effective solution that will give you and your family great tasting Culligan® water for years to come. Even your kids will prefer the refreshing taste of your new, crystal-clear Culligan water—a great alternative to sugary drinks.

And don't limit yourself to just drinking the water. Use it for cooking and in a variety of other culinary ways to give you and your family:

- better-tasting coffee, tea and juices
- more flavorful soups, sauces and pasta
- richer baby formula
- clearer ice cubes
- crisper fruits and vegetables

The Culligan logo, featuring the brand name in a blue, cursive script font with a registered trademark symbol.

* Consult the Performance Data Sheet for the specific contaminant reduction capabilities of this device.

Culligan Innovation and Reliability.

Triple-filtered. Triple sure means better water.

Automatic Shutoff Valve

Shuts off the system when the reservoir tank is full.

Sediment Filter

Screens out sediments and particles that cause cloudy water- even as small as 5 microns. That's 15 times smaller than the diameter of a human hair!

Reverse Osmosis Membrane

Reduces microscopic impurities and chemical elements* including sodium and lead.

Carbon Filter

A carbon filter reduces elements that cause water to taste and smell unpleasant, including the taste and odor of chlorine.

Second Carbon Filter

Ensures your drinking water is clear and fresh.

Reservoir Tank

Durable, high-quality steel tank ensures you'll have a plentiful supply of refreshing water.

Designer Faucet

Delivers delicious water at the touch of a finger. Available in polished chrome or white.

- The Good Water Sentry™ Monitor option continually monitors the RO filter for optimum operation.
 - Green means quality Culligan water.
 - Yellow means it's time for a filter change.

The Culligan Good Water Machine® has been tested by NSF International and is certified to meet NSF standards for RO systems. (see back for details)

When It's Built by Culligan, It's Built to Last.

*Quality products
and services you
can count on.*

For over 65 years, Culligan has led the water treatment industry in innovation and service. We offer the broadest product line, more than 200 patents and a global presence. From manufacturing the finest products to delivering expert service to your home or office, we're involved in every phase of your water treatment. Of course, Culligan® products are built to last and are backed by solid warranties* and the best trained and experienced service technicians in the industry.

Why Millions Trust Culligan to Deliver the Best Water

- ☛ We manufacture our own drinking water systems. No other water treatment company holds as many patents as Culligan.
- ☛ We're ISO 9001 certified. All assembly takes place under exacting quality control.
- ☛ Culligan products possess the industry's most state-of-the-art features because we maintain our own extensive research & development facility with over 40 engineers and scientists.
- ☛ Our products are backed by the best service technicians in the industry. With over 1100 dealers worldwide, a Culligan Man® is always nearby. No run-around for service!
- ☛ We have the expertise to correctly identify the necessary water treatment. Your local dealer is a trained specialist with the resources of the entire Culligan system at his disposal.
- ☛ We sell and service our products in more than 90 countries globally. Wherever you go, we're there to make sure you receive the Culligan water you've come to enjoy.

The Culligan Good Water Machine® is tested and certified by NSF International to ANSI/NSF Standard 58 for the reduction of:

Barium	Turbidity
Fluoride	Selenium
Trivalent Chromium	Cadmium
Hexavalent Chromium	Radium 226/228
Cyst ¹	Total Dissolved Solids
Lead	Copper
Nitrate/Nitrite ²	Arsenic

CAUTION: Do not use with water that is micro-biologically unsafe or of unknown quality without adequate disinfection before or after the system.

The contaminants or other substances removed or reduced by this water treatment device are not necessarily in your water. Systems certified for cyst reduction may be used on disinfected waters that may contain filterable cysts. Source water exceeding chemical parameters requires pre-treatment.

¹ Certification for Cysts Reduction includes *Cryptosporidium* and *Giardia lamblia*.

² Only model AC-30N is rated for Nitrate reduction

System Specifications

System Flow Sequence	Particle Filter, Activated Carbon Filter, Reverse Osmosis Membrane Filter, Storage Tank, Polishing Filter, Dispensing Faucet
Particle Filter	5 Micron Spun Polypropylene
Activated Carbon Filter	Solid Carbon Block
Reverse Osmosis Membrane Filter	Culligan Aqua-Clear® Thin Film Composite
System Daily Production Rate to Pressurized Storage Tank	12.8 gpd (48.45L) (2 gallon) 12.1 gpd (45.8 L) (3 gallon) 11.7 gpd (44.2 L) (9 gallon)
Product Production Rate without storage tank to atmosphere ¹ - AC-30 Models	30 gpd (114 L/day)
Ratio of Product to Flush Flow ² Soft Water Applications	2:3 ³ Hard Water Applications
Polishing Filter	Cullar G Activated Carbon
Dispensing Faucet.....	Culligan <i>Aqua-Clear</i> Faucet Rotary Operation, Stainless Steel and Resin Flow Passages, with Built-in Siphon Break
Colors	Polished Chrome or White
Storage Capacity - Standard Tank.....	2 gallons
- Medium Tank.....	3 gallons
- Large Tank	9 gallons
Dimensions- Filter Assembly	7.5"W x 3"D x 16.5"H
- Storage Tank - Std.	9" Diameter x 14"H
- Medium	11" Diameter x 14"H
- Large	15.5" Diameter x 24"H

¹ Rating at 50 psi, 77°F, 500 mg/L TDS Influent, Without Storage Tank to atmosphere. This is a factory specification for membrane production. Actual production rate and TDS rejection will depend on temperature, water pressure, TDS level, membrane variation and usage pattern.

² May vary with pressure. See Technical Manual for all hard water applications and applications where TDS exceeds 1000 mg/L (ppm).

³ Except nitrate models.

Culligan Lifetime Limited Warranty

CULLIGAN GOOD WATER MACHINE[®] AC-30 MODEL SERIES

You have just purchased one of the finest drinking water systems made. As an expression of our confidence in Culligan products, your drinking water system is warranted to the original end-user, when installed in accordance with Culligan International Company specifications, against defects in material and workmanship from the date of original installation, as follows:

For the LIFETIME of the original end-user

The entire reverse osmosis water conditioning unit, EXCLUDING THE EXPENDABLE FILTER CARTRIDGES AND REVERSE OSMOSIS MEMBRANE FILTER USED IN THE UNIT.

For a period of ONE YEAR

The Culligan brand reverse osmosis membrane filter.

If a part described above is found defective within the specified period, you should notify your independently operated Culligan dealer and arrange a time during normal business hours for the dealer to inspect the drinking water system on your premises. Any part found defective within the terms of this warranty will be repaired or replaced by the dealer. You pay only freight from our factory and local dealer charges.

Damage caused by accident, fire, flood, freezing, Act of God, misuse, misapplication, neglect, alteration, installation or operation contrary to our printed instructions, or by the use of accessories or components which do not meet Culligan specifications, is not covered by this warranty.

Our product performance specifications are furnished with each drinking water system. TO THE EXTENT PERMITTED BY LAW, CULLIGAN DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE; TO THE EXTENT REQUIRED BY LAW, ANY SUCH IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE ONE-YEAR PERIOD SPECIFIED ABOVE FOR THE PARTS DESCRIBED IN THIS LIMITED WARRANTY. As manufacturer, we do not know the characteristics of your water supply or the purpose for which you are purchasing a drinking water system. Please understand that the quality of water supplies may vary seasonally or over a period of time, and that your water usage rate may vary as well. Water characteristics can also change considerably if your drinking water system is moved to a new location. For these reasons, we assume no liability for the determination of the proper equipment necessary to meet your requirements, and we do not authorize others to assume such obligations for us. Further, we assume no liability and extend no warranties, express or implied, for the use of this product on a non-potable water source. OUR OBLIGATIONS UNDER THIS WARRANTY ARE LIMITED TO THE REPAIR OR REPLACEMENT OF THE FAILED PARTS OF THE DRINKING WATER SYSTEM, AND WE ASSUME NO LIABILITY WHATSOEVER FOR DIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, GENERAL, OR OTHER DAMAGES, WHETHER FROM CORROSION OR OTHER CAUSES.

CONSUMERS:

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Similarly, some states do not allow the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Consult your telephone directory for your local independently-operated Culligan dealer, or write Culligan International Company, for warranty and service information.
